## Potomac Chapter ASLA – EXCOMM Meeting, Monday April 13, 2009

Attendees: Karen Kumm Morris Adele Ashkar Mark Mastalerz

Order was called at 6:00pm at George Washington University. Lack of a quorum at the meeting resulted in not approving the March meeting minutes.

The agenda was abbreviated into hearing the web reconstruction presentation by Marc Dione and Jay Buys. The contract with them was signed because Karen received enough email votes in support of their contract. Mark M. has a copy of the contract. It was agreed that Marc would send out a sample home page content and layout options for the committee to review and comment on before proceeding to actually reconstruct the home page.

This concluded the discussion of the web page reconstruction.

Preparations for NLAM were discussed. Adele A. said that she had volunteers for the registration table. Several sponsors were coming and needed space to set up. Karen volunteered to manage the sponsors.

The speakers were all confirmed, but only 19 chapter members had pre-registered as of Monday. Plans were made to increase outreach, sending out several reminder emails, and asking the speakers to bring along one or two of their staff.

The meeting concluded at 8:30 pm.
